## TWO FACES OF LOVE

Loving Eva - a bastard Wafi sex goddess - was like taking a dive into the yawning mouth of a hungry lioness. Regrettably that was what just-arrived Doctor Ituru - an exploding genius of architecture - did. The curtain almost drew on her deadly leech-work when a bewitched Mosaic detected unforgivable "cheating" and "injustice". The result: Eva got a loaded pay cheque for cheating; and for daring that Doctor had to meet the ghastly duo of grisly Rakatana the machismo and sleek Love Joe the savage - both Kingpins of the dreaded Warri Wild. An encounter which sparked a hoopla drama that held even maverick Wafi in bated breath as the gods moved to make a point.
